Lyricist: Fr. Vicente Amplayo, OSA

A story was told of long ago.
Our gift of faith in Santo Niño,
t'was given to a queen.
A tribute to her baptism
was the beginning of Christianity in our land.

The story unfolded, helping us to grow.
To grow in faith in Santo Niño.
Let us bring it into action.
It is the challenge of the mission.
That the cross of Christ will continue to shine in our land.

How blessed are we who inherit the gift.
The gift of faith from Señor Santo Niño.
Passed on through the years,
we are gifted, gifted to give.
We are called to share.
Santo Niño, Santo Niño bless us Your people.
Santo Niño, Santo Niño we pray
How blessed are we who inherit the gift.
The gift of faith from Señor Santo Niño
Passed on through the years,
we are gifted, gifted to give.
We are called to share.

How blessed are we who inherit the gift.
The gift of faith from Señor Santo Niño
Passed on through the years,
we are gifted, gifted to give.

We are called
We are called
We are called to share.
