Implementing Guidelines on NSTP-ROTC Component

BACKGROUND

The history of the ROTC Program started with the enactment of Commonwealth Act Nr 1, otherwise known as the National Defense Act of 1935 requiring the compulsory military training for all college students. This act was implemented through Executive Order Nr 207 issued by President Manuel L Quezon to prepare the youth for the defense of the state.

The National Defense Act was amended in 1990 by Presidential Decree 1706 (The National Law) which offered the three (3) components of National Service Program namely: Military Service (MS) Civil Welfare Service (CWS), Law Enforcement Service (LES) with DND, CHED & DILG respectively as implementing agencies. However, concerned agencies were not prepared to implement the CWS and LES components, thus MS program was the only program pursued in colleges and universities. In 1991, RA 7077, otherwise known as the AFP Reservist Act was enforced prescribing for a two (2) year ROTC Program as a requirement for graduation to all tertiary level students.

In 1994, a tripartite committee was formed among DND, CHED & DILG representatives modifying the traditional two (2) year ROTC Program into Expanded ROTC Program which provide for a mandatory Military Training for the first curriculum year an option to pursue either Military Service (MS), Civic Welfare Service (CWS) or Law Enforcement Service (LES) on the second year. In SY 2000-2001, the ardent clamor by some sectors to abolish the ROTC Program (NSTP) amending RA 7077 and PD 1706. Finally, Republic Act 9163 (National Service Training Program Act of 2001) was assigned by President Gloria Macapagal Arroyo on 23 January 2002 and promulgated on 23 March 2002.

The National Service Training Program (NSTP) now being implemented offers three (3) components namely: Reserve Officers Training Corps (ROTC), Literacy Training Service (LTS) and Civic Welfare Training Service (CWS) for a period of one (1) year or two (2) semesters. Effective on the 1st Semester of Academic Year 2002-2003, all freshmen male and female students in the tertiary level are mandated to finish within one (1) year any one of the three (3) components as a prerequisite for graduation from any baccalaureate degree course or from any two (2) year technical/vocational course.
